Watch them flee from the light, and be mindful of them, because after I die, they will certainly stand in the lie and murder the truth! They are in progress of murdering me again, and this time, they will incarcerate me, but I have already spread the knowledge of the truth! Thee Americans are proud, arrogant, punk enemies of Love the Lord the Father, they are Lovers of money and workers of iniquity! They employ men and women to feed and protect murderous pedophiles, even the man that murdered my brother. They are liars! They say justice for all, but Justice isn't even a constitutional right! Rebuke their sin, and tell them cease and desist their iniquity or they will cease to exist with iniquity!
