

SOLUTION TO PUTIN! FAX TO UKRAINE TODAY!

Я син людський, я надсилаю вам по факсу свої поради щодо того, як перемогти Путіна. Ви повинні викликати Путіна на оголену бійку до смерті, де більш праведний дуелянт автоматично отримує душу іншого дуелянта. Скажімо, Путін – боягуз, який масово вбиває невинних людей, ховаючись за м'ясними щитами.

I am a son of man, I am faxing you my advice pertaining to how to defeat Putin. You should challenge Putin to a nude fight to the death where the more righteous duelist automatically obtains the soul of the other duelist. Say Putin is a coward that mass murders innocent people while hiding behind meatshields.

“Soldiers are more than Meat Shields! Without their heroism upon command and their patriotism, we professional world leaders could not do what we do. Soldiers are more than meatshields, they are professionals. Professional meatshields and professional world leaders go together like a horse and carriage, this I tell my brothers ‘we couldn’t mass murder our neighbors without our soldiers!’ - World Leader.
